

11th INTERNATIONAL CONFERENCE ON HIGH LEVEL ENVIRONMENTAL RADIATION AREAS (ICHLERA-11)

GLOBAL COLLABORATION FOR
RADIATION MONITORING AND
REMEDATION

SUNWAY
UNIVERSITY
A CLASS ABOVE

About The Conference

ICHLERA-11 aims to foster worldwide collaboration in disseminating scientific knowledge concerning multidisciplinary aspects in radiation areas, including their societal impacts.

Sunway University, Malaysia
28-30 October 2024

General Scientific Topics

- Novel Radiation Protection Philosophy & Concepts
- Environmental Monitoring & Dose Assessment
- Environmental Modelling for Radiation Protection
- Radiobiological Effects, Epidemiology & Health Impacts
- Radon, Thoron & Decay Products Measurements
- Risk Assessment from Low Dose Rate Chronic Exposures
- Nuclear Power Plant Accidents & Risk Communication
- Handling of Human Exposures and Responsibilities
- High Level Natural Background Radiation Areas
- Regulatory Control and Responsibilities
- Radiation Emergency Medicine
- Human Resource Development
- NORM & TENORM

Registration Fee

Participant category	Malaysian (RM)	International (USD)
Academician	900	300
Student *	500	150
Industry	1,500	400
Attendee *(non-presenter / accompanying person)	250	60

*Not inclusive conference dinner

Important Deadlines

Abstract submission & registration
February 26, 2024

Notification of acceptance deadline
August 26, 2024

Abstract submission deadline
~~July 26, 2024~~
August 22, 2024

Registration deadline
August 31, 2024

ICHLERA-11
Conference Day
October 28-30, 2024

DEADLINE EXTENDED

Publication

The papers presented will undergo peer review and, upon acceptance, will be published in the journal 'RADIATION PHYSICS AND CHEMISTRY'

Organized by:

School of
ENGINEERING &
TECHNOLOGY

Research Centre for
CARBON DIOXIDE
CAPTURE &
UTILIZATION

APPLIED PHYSICS
& RADIATION
TECHNOLOGIES GROUP

In collaboration with:

Supported by:

Jeffrey Cheah
Foundation
Nurturing the Seeds of Wisdom

5, Jalan Universiti, Bandar Sunway, 47500 Petaling Jaya, Selangor
