SUNWAY IS ONE OF THE TOP 150 UNIVERSITIES IN THE WORLD UNDER 50 YEARS OLD

As one of Malaysia's leading and internationally recognised private universities, Sunway University is positioned amongst top universities in the world by QS World University Rankings. Sunway University is ranked #1 private university in ASEAN region by AppliedHE ASEAN Private University Ranking 2025 and recognised as the #1 Malaysia's highest-ranked private non-government linked university in the Times Higher Education World University Rankings 2025. The University is also #539 in the QS World University Rankings 2025.

Sunway University has been awarded #1 in Graduate Employability among all universities in Malaysia, for the third consecutive year, by Talentbank Group through the National Graduate Employability Index.

The University has achieved a significant milestone by making its debut in the Academic Ranking of World Universities (ARWU) for 2024. This achievement places Sunway University among the top five universities in Malaysia, alongside the top four research-intensive public universities, and establishes it as the only private higher education institution in the country to be included in this prestigious global ranking.

Collaborating with world class partners - Arizona State University, Lancaster University and Le Cordon Bleu International, Sunway University offers premier education with international repute. The University also partners University of Oxford, University of Cambridge, Harvard University, Massachusetts Institute of Technology and University of California, Berkeley.

MALAYSIA'S #1 NON-GLU* PRIVATE UNIVERSITY

as awarded by Times Higher Education

*Government-Linked University

The Only Private University in Malaysia to be included in the Academic Ranking of World Universities (ARWU) 2024

INTRODUCTION

Since 1987, the School of American Education (SAE) has helped to prepare students to transfer successfully to top-tier universities across the United States through the American Degree Transfer Program (ADTP). More than 75% of our students successfully transfer to Tier 1 U.S. universities every year with close to half of them receiving scholarships from their respective schools. SAE provides a holistic education through flexibility and an all-round experience with over 1000 majors for ADTP students to venture into.

Sunway University has joined forces with Arizona State University (ASU), America's most innovative university, to provide our students with access to top-notch U.S. degree programs. Students can experience enhanced American learning experiences right here in Malaysia through ASU content and curriculum, master classes, certificates, global signature courses and study abroad experiences.

SCHOOL OF AMERICAN EDUCATION

Upon fulfilling the requirements of 2 programs, graduates are awarded 2 certificates; one from Sunway University and another from Arizona State University.

ENTRY REQUIREMENTS

DEGREE PROGRAMS IN COLLABORATION WITH ARIZONA STATE UNIVERSITY

PROGRAM	ENTRY REQUIREMENTS	SPECIFIC REQUIREMENTS	ENGLISH REQUIREMENTS	
BACHELOR OF SCIENCE (HONORS) COMPUTER SCIENCE (ARTIFICIAL INTELLIGENCE)	American Degree Transfer Program (ADTP) Completion of ADTP with CGPA at 2.0 STPM Average C or CGPA 2.0 (Minimum 2 principals) A-Level Minimum 8 points (Minimum Grade D in at least 2 subjects) Australian Matriculation ATAR 50 Canadian Matriculation 50% Monash University Foundation Year 50%	STPM A Pass in STPM (Arts stream) with a minimum of Grade C (GP 2.00) in any 2 subjects; OR A Pass in STPM (Science stream) with a minimum of Grade C (GP 2.00) in a Mathematics subject and one Science/ICT subject Diploma Diploma in Science and Technology with a minimum CGPA of 2.75 (candidates with 2.50 ≤ CGPA ≤ 2.75 can be accepted subject to an internal assessment) Diploma in Computing with a minimum CGPA of 2.50 (candidates with 2.00 ≤ CGPA ≤ 2.50 can be accepted subject to an internal assessment)	Credit in Additional Mathematics at SPM level or its equivalent [applicants from STPM (Science Stream) and Diploma in Computing are exempted from this requirement]; OR If a candidate does not have a credit in Additional Mathematics at SPM level or its equivalent but has a credit in Mathematics and in one of the Science, Technology or Engineering subjects at SPM level or its equivalent, the candidate must take and pass the reinforcement Mathematics course equivalent to Additional Mathematics at SPM level in the first semester.	IELTS or equivalent 6.0 MUET Band 4 UEC English B4 SPM English Credit O-Level English (1119) Credit Sunway Intensive English Program Pass Level 4 with minimum 65%
	BACHELOR IN DIGITAL COMMUNICATION (ADVERTISING) WITH HONORS	Foundation Program CGPA 2.0 UEC Maximum 28 points from 5 subjects (all Grade Bs including English)		ESL/English Satisfactory level in Pre-University programs, Diploma or ADTP where the medium of instruction is English
	BACHELOR OF ARTS IN PSYCHOLOGY (HONORS)	International Baccalaureate Completed with minimum 24 points (excluding bonus points) Diploma CGPA 2.0	Credit in Mathematics and one Science subject at SPM level or its equivalent or at a higher level <i>Note: Candidates who do not meet this requirement can still be accepted but they will be required to take and pass the reinforcement course(s) as prerequisite(s) to the related core course(s) in the program.</i> <i>Candidates with a Diploma in Psychology are exempted from this requirement.</i>	

Note: For A-Level points calculation
 A = 10 points B = 8 points C = 6 points D = 4 points E = 2 points

AMERICAN DEGREE TRANSFER PROGRAM (ADTP)

ADTP (ARTS)	ADTP (SCIENCE/ENGINEERING)
ENTRY REQUIREMENTS	
SPM/O-Level Pass with minimum of 5 credits (including English) Canadian Matriculation 50% (including English) UEC 5 Grade Bs (including English)	SPM/O-Level Pass with minimum of 5 credits (including English and Mathematics or any Science subject) Canadian Matriculation 50% (including English and Mathematics or any Science subject) UEC 5 Grade Bs (including English and Mathematics or any Science subject)
Other Qualifications Any other qualifications will be considered on a case-to-case basis	

Students who do not have a Credit in English may substitute it with:

- **SPM/O-Level English** : Credit
- **IELTS** : 5.0 and above
- **Sunway Intensive English Program** : Level 4 score 50% and above

INTAKES JANUARY • JUNE • AUGUST

An Innovative Collaboration

Arizona State University (ASU), ranked No. 1 "Most Innovative School" in the U.S. by U.S. News & World Report for ten years, 2016 - 2025. ASU is a comprehensive public research university; measured not by whom it excludes, but by whom it includes and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities it serves.

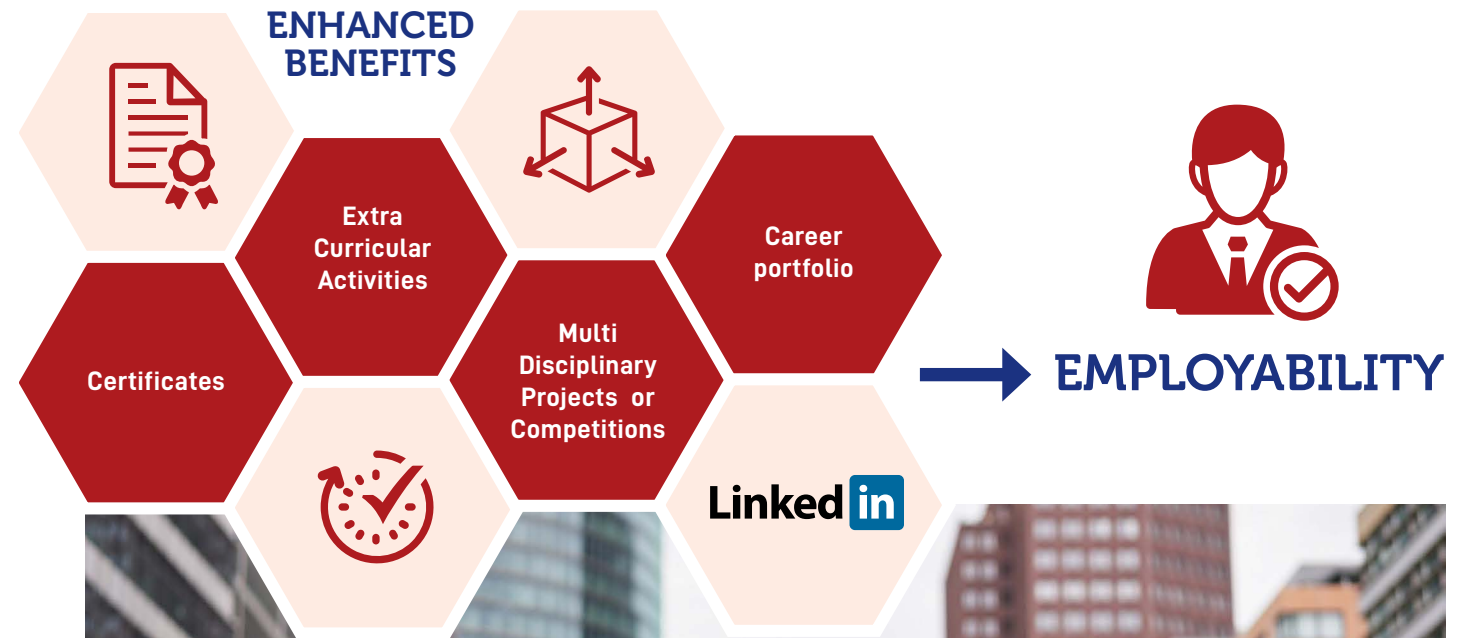

- #1 in the U.S. for innovation**
ASU ahead of MIT and Stanford — U.S. News & World Report, 10 years, 2016–25
- #1 in the U.S. and top 10 in the world for global impact**
in research, outreach and stewardship
ASU ahead of Michigan State, Penn State and MIT — U.S. News & World Report, 2022
- Top 1% of international universities**
ASU ahead of Georgetown, University of British Columbia and Brandeis — Country Brand University Rankings, 2021
- Among the Top 150 Universities Worldwide**
ranked by ShanghaiRanking, 2022
- #1 public university in the U.S. chosen by international students**
ASU ahead of University of Wisconsin, Purdue and University of Michigan — International Student Experience, 2021

STUDENT EXPERIENCE

- Innovation
- Artificial Intelligence
- Global Exposure
- Sustainability
- Industry Engagements
- Soft Skills

BACHELOR OF SCIENCE (HONORS) COMPUTER SCIENCE (ARTIFICIAL INTELLIGENCE)

PROGRAM INTRODUCTION

The **Bachelor of Science (Honors) Computer Science (Artificial Intelligence)** aims to equip students with a comprehensive foundation that allows the graduates to implement acquired computing skills in contributing to the industry, research, and community through innovative teaching and learning methodology in computer science.

Computer Science programs in the U.S. are heavily mathematically based, allowing the graduates to be involved in algorithm and framework development.

Mathematics is also the foundation of Intelligent Systems, which is crucial for decision-making. This is one contributing factor to a strong theoretical computer science foundation. Having this foundation is important in the innovation of new concepts and technology.

This program is also based on the BS in Computer Science from the Ira Fulton School of Engineering, Arizona State University.

SCHOOL OF AMERICAN EDUCATION

Students will have the option to top up credits to obtain an Arizona State University certificate.

CAREER PROSPECTS

- Automation Systems Engineers
- Artificial Intelligence Engineers
- Computer Analysts
- Computer Scientists
- Computer Systems Engineers
- Data Analysts

Enhanced Skills : Critical Thinking skills, Teamwork & Leadership, Entrepreneurial Mindset, Research Skills

BACHELOR IN DIGITAL COMMUNICATION (ADVERTISING) WITH HONORS

PROGRAM INTRODUCTION

The **Bachelor in Digital Communication (Advertising) with Honors** aims to provide students with relevant knowledge in advertising and marketing with a focus on media and public relations.

Through the well-laid-out teaching and learning methods of the program, students will be able to learn how to influence audience behaviour through digital marketing techniques and tools, such as social media strategy, search engine optimisation, search engine marketing and digital analytics.

This program is also based on BS Digital Audiences by Walter Cronkite School of Journalism, Arizona State University.

SCHOOL OF AMERICAN EDUCATION

Students will have the option to top up credits to obtain an Arizona State University certificate.

CAREER PROSPECTS

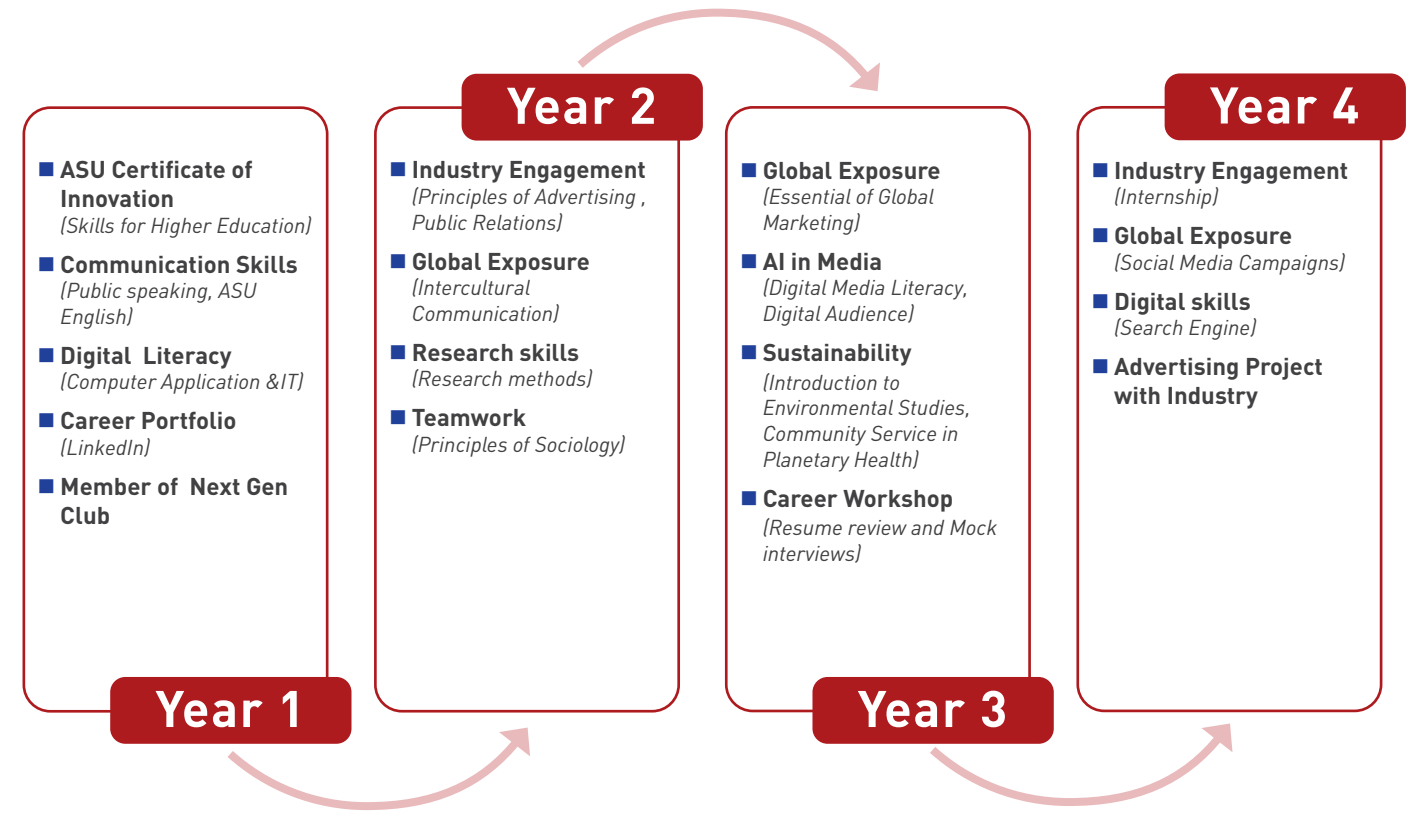

- Advertising Manager
- Brand Manager
- Marketing Executive
- Marketing Relations Manager
- Product Marketing
- Public Relations Manager

Enhanced Benefits : ASU Short Student Experience / Student Mobility, ASU Master Class, Global Signature Course, Certificate in AI/Canva Essential Certificate

Enhanced Skills : Critical Thinking, Leadership, Entrepreneurial Mindset, Research Skills

BACHELOR OF ARTS IN PSYCHOLOGY (HONORS)

PROGRAM INTRODUCTION

The **Bachelor of Arts in Psychology (Honors)** program aims to produce world-class graduates with sound knowledge of psychology, that is, how people think, feel, act, and interact interpersonally and in groups.

By combining the best practices of the American education system, this program aims to provide students with a well-rounded education that meets global standards and prepares them to thrive in the evolving field of psychology.

This program is also based on the BA Psychology program at the New College of Interdisciplinary Arts and Sciences, Arizona State University.

SCHOOL OF AMERICAN EDUCATION

Students will have the option to top up credits to obtain an Arizona State University certificate.

CAREER PROSPECTS

- Academic Tutor
- Corporate Trainer / Consultant
- Life Coach
- Public Relations Consultant
- School Counsellor
- Social / NGO Worker

PROGRAM STRUCTURE - Subjects*

Year 1

- Introduction to Psychology
- Finite Mathematics
- Introduction to Statistics
- Public Speaking and Presentation Skills
- English 1
- English 2
- Computer Applications and IT
- Elective 1
- Elective 2

Year 2

- Research Methods
- Social Psychology
- Ethics in Psychology
- Developmental Psychology
- Biological Psychology
- Abnormal Psychology
- Sensation and Perception
- Personality Theory and Research
- Cognitive Psychology
- Elective 3
- Elective 4

Year 3

- History of Psychology
- Psychological Testing
- Organizational Psychology
- Educational Psychology
- Consumer Psychology
- Elective 5
- Elective 6

Year 4

- Health Psychology
- Positive Psychology
- Psychology of Gender
- Forensic Psychology
- Careers in Psychology
- Research Project
- Elective 7
- Elective 8

ELECTIVES

- American Foreign Policy
- Film Appreciation
- Intercultural Communication
- Introduction to Environmental Studies
- Introduction to Philosophy
- Principles of Sociology
- US History since 1877
- US History to 1877
- World Mythology

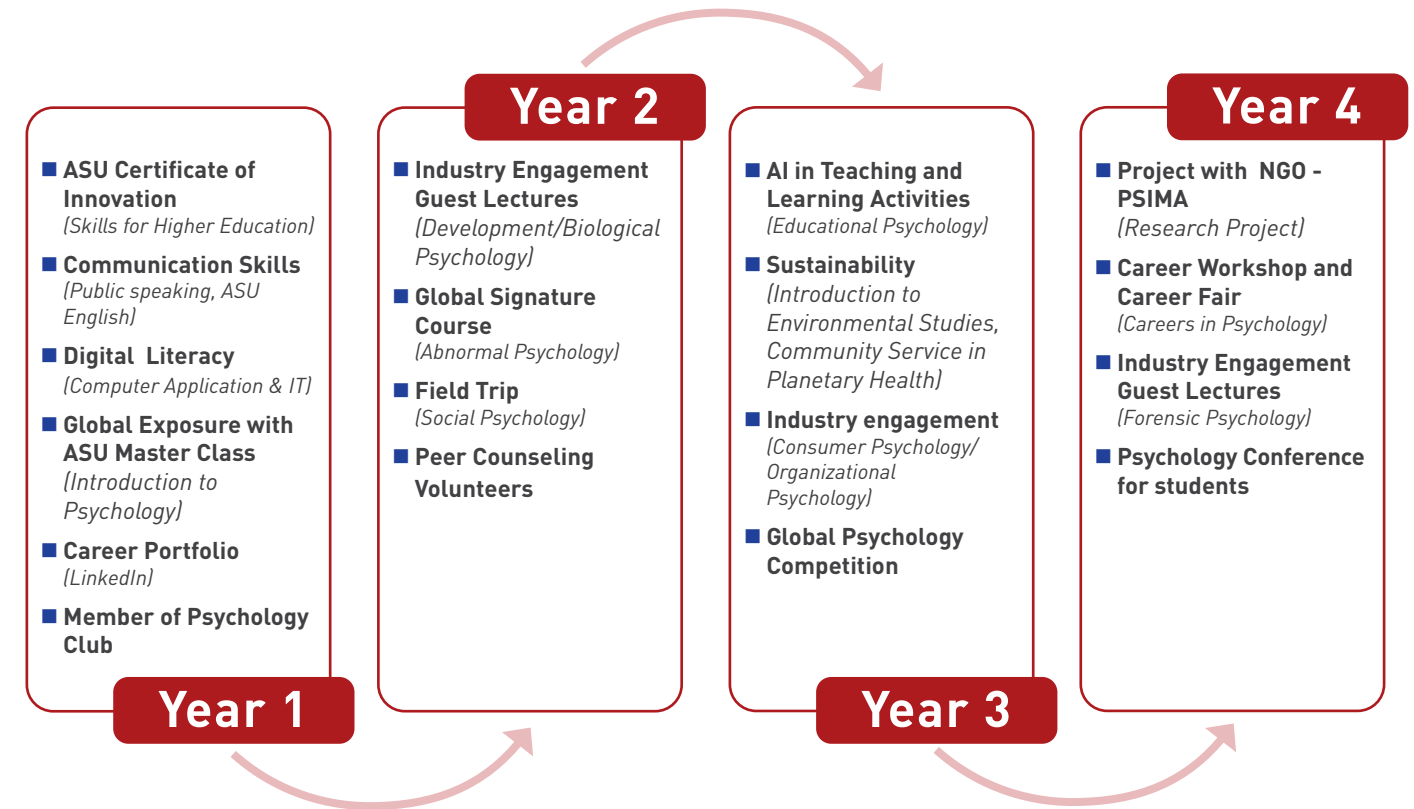

MOHE COMPULSORY GENERAL STUDIES SUBJECTS

For Local Students:

- Appreciation of Ethics & Civilisation
- Bahasa Kebangsaan A
(Applicable to students who did not sit for SPM or did not obtain a Credit in SPM Bahasa Melayu) / OR
Skills for Higher Education
- Community Service for Planetary Health
- Entrepreneurial Mindset & Skills
- Integrity & Anti-Corruption (KIAR)
- Philosophy & Current Issues

For International Students:

- Appreciation of Ethics & Civilisation
- Community Service for Planetary Health
- Critical Thinking
- Entrepreneurial Mindset & Skills
- Integrity & Anti-Corruption (KIAR)
- Malay Language for Communication 2
- Skills for Higher Education

Enhanced Benefits : ASU Short Student Experience / Student Mobility , ASU Master Class, Global Signature Course
Enhanced Skills : Critical Thinking, Teamwork & Leadership, Entrepreneurial Mindset, Research Skills

ACTIVITIES BEYOND THE CLASSROOM

Sunway University hosted over 800 secondary school students for the "Next Big Quest" event on 27 July 2024. ADTP students from the School of American Education played a key role by designing two long challenges, two short challenges, and a series of engaging questions. These activities were crafted to introduce secondary school students to the ADTP program, offering them an interactive and fun-filled experience that showcased the excitement of learning in a dynamic environment.

In July 2024, the School of American Education proudly hosted an Alumni event, bringing together around 30 ADTP graduates for a memorable gathering. The alumni shared fond recollections of their favourite study spots on campus, their go-to meals, and the challenging subjects they conquered during their academic journey. It was a heartwarming event that celebrated their shared experiences and the lasting impact of their time at the institution.

Sunway University's School of American Education held its inaugural Summer Awards Ceremony in July 2024 with students, parents, their loved ones, lecturers and SAE staff. SAE celebrated the achievement of students who have completed the first half of their degree at Sunway University and transferred in Fall 2024 to various U.S. universities.

On July 4th, 2024 Sunway University celebrated U.S. Independence Day. The event officiated by Prof. Dato' Elizabeth Lee, Group CEO of Sunway Education Group, featured stunning U.S. decorations created by dedicated SAE Student committee. Highlights included performances by an SAE student and a Sunway foundation program alumnus.

In April 2024, Communications major students had the opportunity to visit Radio Television Malaysia (RTM), one of the nation's oldest and most respected broadcasting stations.

Visa Application Talk by the US Embassy April 2024.

US Embassy Representative Class Visit

Study Trip to Ajinomoto

Pantai Cermin, Port Dickson Beach Clean Up Team

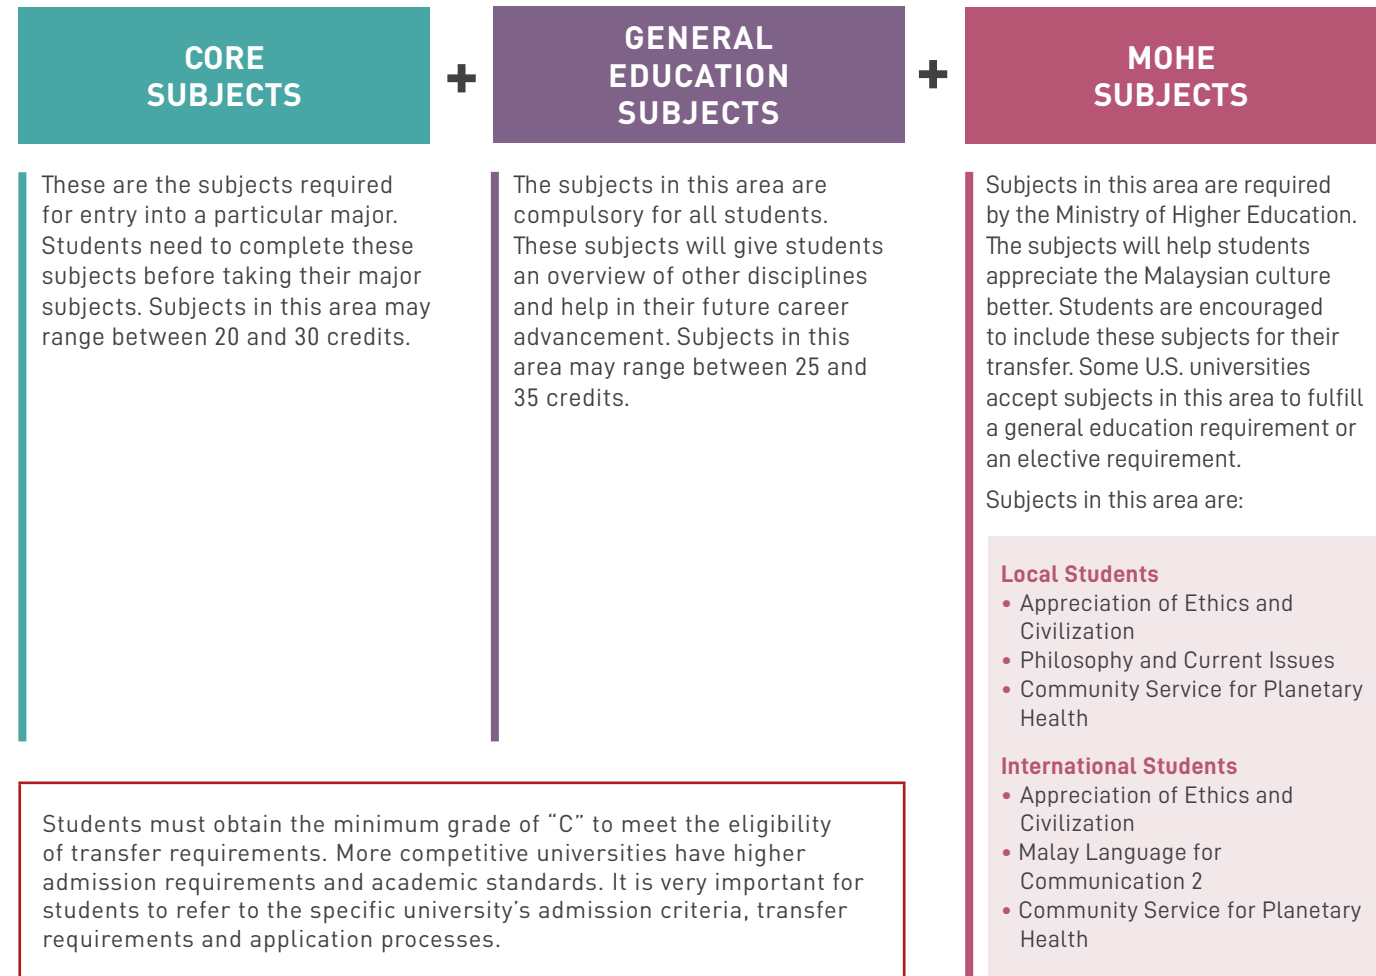

2024 International Cultural Day

ADTP STUDY PLAN

Studying in the ADTP consists of subjects from the following categories:

Students must obtain the minimum grade of "C" to meet the eligibility of transfer requirements. More competitive universities have higher admission requirements and academic standards. It is very important for students to refer to the specific university's admission criteria, transfer requirements and application processes.

GENERAL EDUCATION REQUIREMENTS

Arts and Humanities

- Film Appreciation
- U.S. History to 1877
- U.S. History since 1877
- Intellectual History of the Modern West
- Introduction to Philosophy
- Survey of World Religions
- World Mythology
- Introduction to Theatre
- History of Arts and Design
- American Popular Music

Quantitative Reasoning

- Introduction to Statistics with SPSS Lab

Science and Technology

- General Biology
- Cell Biology*
- Introduction to Computer Applications
- Chemistry & Society
- General Chemistry 1*
- College Physics 1
- Physics 1*

Behavioral and Social Sciences

- Microeconomics
- Macroeconomics
- American Government and Politics
- International Relations
- Pacific Asia Today
- American Foreign Policy
- Introduction to Psychology
- Principles of Sociology

Communication Literacy

- Public Speaking & Presentation Skills
- Introduction to Human Communication
- Intercultural Communication

Health and Physical Education

(Check with university)

- Health and Wellness

** Options for Science/Engineering major students*

STUDENT SUPPORT

Academic Advisor Program

Each student is assigned a qualified and dedicated Academic Advisor who keep close tabs on the student's progress while, offering personal attention, mentoring, guidance.

Placement Support

Students get personalized guidance from our U.S. trained placement experts with strong support from the International Office University Placement (IOUP).

Regular workshops are conducted to keep students informed on application processes and requirements.

ADTP ARTS
COMMUNICATION

Provided is a sample study plan for Year 1 to 2 for **Communication/Broadcasting/Journalism** Majors.

Year 1	
Skill for Higher Education	2
Public Speaking and Presentation Skills*	3
Finite Mathematics OR Basic Mathematics*	3
Computer Applications and Information Technology *	3
Introduction to Human Communication*	3
Introduction to Communication Theory*	3
Principles of Advertising*	3
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	10
Total Credit Hours	30

Year 2	
Mass Media and Society*	3
Intercultural Communication*	3
Introduction to Journalism*	3
Communication Research Methods Communication Ethics* 3	3
Web Design and Development	3
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	15
Total Credit Hours	33

* Accepted by ASU
Please refer to the subject requirements by the transfer university.

Option to do more than 60 credits:
Western Michigan University
Major in Communication (PR) and minor in Business.

ADTP ARTS
**ARTS, HUMANITIES
& LIBERAL ARTS**

Students interested in Majors pertaining to **Arts, Humanities and Liberal Arts** will be registered under ADTP Arts.

Liberal arts includes the study of subjects like arts, humanities, social sciences, psychology and more. It equips the students to be well-rounded and have perspectives from multiple views. Majors related to Liberal Arts include (according to alphabetical order), but are not limited to:

• Anthropology	• History
• Architecture	• Hospitality
• Arts	• Interior Design
• Communication/ Broadcasting/Journalism*	• International Relations
• Creative Writing	• Performing Arts
• Fashion Design	• Political Science
• Film Production	• Public Relations
	• Psychology (Arts)**

* See separate study plan ** Refer to study plan under ADTP Sci/Eng

Students should be able to complete 1-1.5 years of study in Sunway University. Please see the academic counsellor for more details.

Provided is a sample study plan for Year 1 and 2 for any other majors in **Liberal Arts**.

Year 1	
Finite Mathematics	3
MOHE & General Education <i>Please select from the List</i>	
- Arts & Humanities	6
- Science & Technology	6
- Behavioral & Social Sciences	6
- Communication Literacy	6
Total Credit Hours	27

Year 2	
MOHE & General Education <i>Please refer to Transfer University</i>	
- Arts & Humanities	3
- Quantitative Reasoning	3
- Science & Technology	3
- Behavioral & Social Sciences	3
Total Credit Hours	12

Please refer to the subject requirements by the transfer university.

ADTP ARTS
BUSINESS

Students interested in Majors pertaining to **Business** will be registered under ADTP Arts.

A degree in business is a very practical choice, as every organization needs experts in this area. Business graduates can plan, organize, manage, expand and envision a business. Popular majors related to the business degree include (in alphabetical order), but are not limited to:

- Accounting
 - Actuarial Science*
 - Administration
 - Aviation Management
 - Commerce
 - Economics
 - Finance
 - Hospitality
 - Human Resource Management
 - Management
 - Marketing/International Marketing
 - Sports Management
 - Supply Chain Management
- * See separate study plan at ADTP Science/Engineering

Provided is a sample study plan for Year 1 and 2 for **Business** majors.

Year 1	
Skill for Higher Education	2
Introduction to Business	3
Finite Mathematics OR Pre-Calculus * OR College Algebra	
Calculus 1*	3
Computer Applications and Information Technology *	3
Microeconomics *	3
Basic Principles in Accounting *	3
Macroeconomics *	3
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	10
Total Credit Hours	30

Year 2	
Introduction to Statistics with SPSS Lab*	4
Management Accounting *	3
Introduction to Global Business	3
Organizational Behaviour*	3
Principles of Marketing	3
IT for Business *	4
Human Resource Management #	3
Business Finance #	3
International Economics #	3
Business Communication #	3
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	10
Total Credit Hours	42

* Accepted by ASU
#To be taken based on specific business major (BGM and ABTS)
Please refer to the subject requirements by the transfer university.

ADTP SCIENCE
**ACTUARIAL
SCIENCE**

Provided is a sample study plan for Year 1 and 2 for **Actuarial Science** Majors.

Year 1	
Basic Principles in Accounting	3
Microeconomics	3
Macroeconomics	3
Calculus I	4
Calculus II	4
Calculus III	4
MOHE & General Education	12
<i>Please select from MOHE and General Education List</i>	
Total Credit Hours	33

Year 2	
Management Accounting I	3
Programming I	4
Business Finance	3
Differential Equation	4
Linear Algebra	4
Probability Statistics	4
MOHE & General Education	12
<i>Please refer to Transfer University</i>	
Total Credit Hours	34

Please refer to the subject requirements by the transfer university.

ADTP SCIENCE COMPUTER SCIENCE

Computer Science is the formal study of computation and its applications. This involves both hardware and software. Computer Science graduates are widely sought after not only for development of applications but also for the usage of the application. Majors related to computer science include (in alphabetical order), but are not limited to:

- Game Design
- General Computer Science
- Software Engineering

Provided is a sample study plan for Year 1 and 2 for **Computer Science** Majors.

Year 1	
Skill for Higher Education	2
Introduction to Engineering	2
Calculus I*	4
Programming I*	4
Calculus II*	4
Discrete Mathematical Structures*	3
Digital Design Fundamentals*	3
Introduction to Database OR	
Introduction to Programming Language*	3
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	8
Total Credit Hours	33

Year 2	
Programming II*	4
Calculus III*	4
Introduction to Software Engineering*	3
Data Structures*	3
Computer Organization and Assembly Language Programming*	3
Digital Logic	3
Linear Algebra	4
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	10
Total Credit Hours	34

* Accepted by ASU
Please refer to the subject requirements by the transfer university.

ADTP SCIENCE ENGINEERING

Majors related to engineering include (in alphabetical order), but are not limited to:

- Aeronautical/Aerospace
- Automotive
- Chemical
- Civil
- Computer
- Electrical/Electronics
- Environmental
- Industrial
- Marine
- Mechanical
- Nuclear
- Petroleum/Mining/Geological
- Small Craft
- Telecommunications

Provided is a sample study plan for Year 1 and 2 for **Engineering** Majors.

Year 1	
Skill for Higher Education	2
Introduction to Engineering	2
Calculus I *	4
Calculus II *	4
Physics I with Lab*	4
Discrete Mathematical Structures	3
General Chemistry II with Lab*	4
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	10
Total Credit Hours	33

Year 2	
Linear Algebra*	4
Introduction to Matlab*	4
Basic Statics for Engineering*	3
Differential Equation*	3
Calculus III*	4
Physics II with Lab*	4
Fundamentals of Thermodynamics*	3
Introduction to Material Science	3
Dynamics for Engineering*	3
Mechanics of Material*	3
Circuit Analysis*	4
Organic Chemistry I with Lab	4
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	10
Total Credit Hours	52

* Accepted by ASU
Please refer to the subject requirements by the transfer university.

ADTP SCIENCE NATURAL SCIENCE

Students interested in Majors pertaining to **Science** will be registered under ADTP Science/Engineering.

The branch of study that deals with the observation, description, and prediction of natural phenomena. This would then be translated into applications that impact our daily lives. Majors in the natural science(s) include (in alphabetical order), but are not limited to:

- Applied Science
- Biochemistry
- Biomedical Science
- Bioscience
- Biotechnology
- Clinical Science
- Education
- Environmental Science
- Flight Science
- Forensic Science
- Geophysics/Geology
- Mathematics
- Meteorology
- Natural Science
- Psychology (Sc)
- Science & Physics
- Sports Science

Provided is a sample study plan for Year 1 and 2 for **Natural Science** Majors.

Year 1	
Calculus I	4
Intro to Cell Biology (with Lab)	4
General Chemistry I (with Lab)	4
College Physics I (with Lab)	5
Introduction to Statistics with SPSS Lab	4
MOHE & General Education <i>(Please select from the MOHE and General Education List)</i>	12
Total Credit Hours	33

Year 2	
Evolution, Diversity & Ecology	4
Intro to Biotechnology (with Lab)	4
General Chemistry II (with Lab)	4
Organic Chemistry I (with Lab)	4
College Physics II (with Lab)	5
MOHE & General Education <i>(Please refer to Transfer University)</i>	12
Total Credit Hours	33

* Accepted by ASU
Please refer to the subject requirements by the transfer university.

ADTP SCIENCE PSYCHOLOGY

Provided is a sample study plan for Year 1 and 2 for **Psychology** Majors.

Year 1	
Skill for Higher Education	2
Introduction to Psychology*	3
Finite Mathematics*	3
Computer Applications and Information Technology *	3
Social Psychology*	3
Introduction to Statistics with SPSS Lab*	4
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	12
Total Credit Hours	30

Year 2	
Developmental Psychology	3
Abnormal Psychology*	3
Introduction to Research Methods*	3
Calculus I	4
MU1 or General Education subjects <i>(Please select from the MOHE and General Education List)</i>	18
Total Credit Hours	31

* Accepted by ASU
Please refer to the subject requirements by the transfer university

PATHWAY TO SCHOOL OF ARTS, SUNWAY UNIVERSITY

ADTP ARTS CONTEMPORARY MUSIC (AUDIO TECHNOLOGY)

Students interested in majors pertaining to **Contemporary Music (Audio Technology)** will be registered under ADTP Arts.

Contemporary Music (Audio Technology) aims to train versatile musicians and music producers. It is both a technical and creative major, providing students with solid music theory and academic knowledge.

This is ideal for students with a strong interest in music, production, sound and audio technology. It is also open to individuals with no prior formal musical training who are passionate about pursuing a career in music.

Year 1	
Music Theory and Musicianship	4
Audio Recording and Production	4
Applied Contemporary Musicianship I	4
MOHE & General Education	18
Total Credit Hours	30

Year 2	
Music Cultures of the World	4
Music Theory and Musicianship II	4
Recording Studio Techniques	4
Applied Contemporary Musicianship II	4
MOHE & General Education	15
Total Credit Hours	31

Note: Students are required to pass an audition prior to admission into the ADTP-SOA pathway.

ADTP ARTS MUSIC PERFORMANCE

Students interested in majors pertaining to **Music Performance** will be registered under ADTP Arts.

Music Performance is focused on western art music, with training in practical musicianship, music theory, and academic knowledge. It is a practice-based program in which students would be expected to practice individually, rehearse in ensembles, and perform in both contexts.

This is ideal for students if they have a background in performance with an interest in solo performance and/or ensemble playing. Music Performance graduates will be equipped for a professional career in the music industry as performers, educators, and session musicians, utilizing a broad exposure to other related areas, including composition and arrangement.

Year 1	
Principal Study 1	3
Large Ensemble 1	2
Music Theory and Musicianship I	4
Audio Recording and Production	4
MOHE & General Education	17
Total Credit Hours	30

Year 2	
Principal Study II	3
Chamber Music I / Song and Aria Class I	2
Large Ensemble II	2
Music Theory and Musicianship II	4
Music Cultures of the World	4
MOHE & General Education	16
Total Credit Hours	31

Note: Students are required to pass an audition prior to admission into the ADTP-SOA pathway.

ADTP ARTS DIGITAL FILM PRODUCTION

Students interested in majors pertaining to **Digital Film Production** will be registered under ADTP Arts.

Digital Film Production explores the creative and professional aspects of film production including short film and documentary, scriptwriting, sound design, acting, transmedia content creation, post-production, entrepreneurship and internship with the widest and most value-added applications.

Digital Film Production aims to produce versatile creative producers who are skilled in audio-visual production and transmedia application across multiple screens to enhance capability and competency in Malaysia's growing creative economy. The expertise acquired in this program will be relevant to a diverse range of conventional and new career options within and beyond the current media landscape that has been revolutionized by digital technology.

Year 1	
Introduction to Filmmaking	4
Film Studies	4
Scriptwriting	4
MOHE & General Education	18
Total Credit Hours	30

Year 2	
World Cinema	4
Filmmaking: Documentary	4
Editing Techniques 1	4
Producing for Film	4
MOHE & General Education	15
Total Credit Hours	31

ADTP ARTS THEATRE PRODUCTION

Students interested in majors pertaining to **Theatre Production** will be registered under ADTP Arts.

The Bachelor of Arts (Honours) in Theatre Production focuses on contemporary theatre-making's dynamic practice. Students can expect to hone and sharpen their craft in performance, directing, devising design, and production management. This practice is supported by critical studies of history, context, and theory.

Beyond the field of theatre, this program equips students with skills that unlock broad early-career prospects in the creative industries including performance, production, and/or management for film; television; radio; digital and social media; broadcasting and journalism; music and dance; events and concerts; marketing and advertising; and entertainment-leisure industries.

Year 1	
Body, Voice & Improv	4
Production Management	4
Malaysian Theatre	4
English for the Arts	4
MOHE & General Education	14
Total Credit Hours	30

Year 2	
Acting & Text Analysis	4
Voiceover Performance	4
Directed Theatre Production	4
Global Theatre	4
MOHE & General Education	15
Total Credit Hours	31

Note: Students are required to pass an audition prior to admission into the ADTP-SOA pathway.

WHERE ARE OUR GRADUATES NOW?

Aida Nureen Taqiah Binti Amirul Bahri
University : Western Michigan University, USA
Major (Degree) : Dual Degree in Environmental and Sustainable Studies & Earth Science with Psychology minor
Graduation Year : 2021
Company : Washington Environmental Council, USA
Position : Digital Communications Associate

Edrea Lee Yian Huay
University : University of Michigan, USA
Major (Degree) : Economics
Graduation Year : 2020
Company : Vespida MY Solutions, Malaysia
Position : Co-Founder

Justin Lee Guo Rui
University : Western Michigan University, USA
Major (Degree) : Computer Science
Graduation Year : 2020
Company : Ford Motor Company, USA
Position : Software Engineer

Raihana Ishraque
University : York University, Canada
Major (Degree) : Business/Corporate Communications
Graduation Year : 2021
Company : Globalfaces Direct, Canada
Position : Professional Fundraiser

Ashraf Ali Djauhari
University : University of Illinois Urbana-Champaign, USA
Major (Degree) : Computer Engineering
Graduation Year : 2019
Company : Qualcomm, USA
Position : Senior Security Systems Software Engineer

Eunice Low Tain Yung
University : Western Michigan University, USA
Major (Degree) : Marketing Management
Graduation Year : 2020
Company : Clariden Global, Singapore
Position : Marketing Associate

Leong Zhi Yan
University : Western Michigan University, USA
Major (Degree) : Electrical & Electronic Engineering
Master/Major : M.Sc. Computer Science
Graduation Year : 2019
Company : Ford Motor Company, USA
Position : Research Engineer - Sound Sensing & Features, Research and Advanced Engineering

Sanjay Unni A/L Suresh
University : Western Michigan University, USA
Major (Degree) : Mechanical Engineering with Economics and Mathematics minor
Graduation Year : 2023
Company : Tesla, USA
Position : Cell Electrode - Engineering Process Tech

Ashwathy A/P K.P. Balakrishnan
University : Western Michigan University, USA
Major (Degree) : Business Analytics
Graduation Year : 2020
Company : Abbvie, USA
Position : Business System Analyst

Harkiret Singh
University : San Jose State University, USA
Major (Degree) : Mechanical Engineering
Graduation Year : 2022
Company : Advantest America, Inc. (AAI), USA
Position : Application Engineer

Liew Shan Khai
University : Western Michigan University, USA
Major (Degree) : Chemical Engineering
Master/Major : M.Sc. Chemical Engineering
Graduation Year : 2022
Company : PETRONAS, Malaysia
Position : Executive Engineer

Saranya A/P Ravinthiran @ Thanabalan
University : Bond University, Australia
Major (Degree) : Actuarial Science
Master/Major : Actuarial Practice
Graduation Year : 2020
Company : Superannuation Advice, Australia
Position : Senior Risk and Compliance Officer

Chew Kai Weng
University : Western Michigan University, USA
Major (Degree) : Business Administration
Graduation Year : 2020
Company : Nestlé, Malaysia
Position : Marketing Excellence Executive

Julian Yee Zhi-Jie
University : York University, Canada
Major (Degree) : Human Resources Management and Services
Graduation Year : 2021
Company : Impact Recruitment, Canada
Position : Recruitment Specialist

Louis Lim Yuzhe
University : Illinois Institute of Technology, USA
Major (Degree) : Computer Engineering
Graduation Year : 2020
Company : Amazon, USA
Position : Software Development Engineer

Wok Ian Seng
University : University of Alberta, Canada
Major (Degree) : Computer Science
Graduation Year : 2021
Company : Amazon Web Services (AWS), Canada
Position : Software Development Engineer

Darryl Foong Ze Xian
University : Illinois Institute of Technology, USA
Major (Degree) : Electrical Engineering
Master/Major : M.Sc. Computer Engineering
Graduation Year : 2020
Company : Tesla, USA
Position : Product Engineer - Residential Energy

Lau Yung Wei
University : University of Minnesota, USA
Major (Degree) : Chemical Engineering and Chemistry
Graduation Year : 2020
Company : BASF, USA
Position : Analyst, Product Safety

Nurfadhlna Shafiqah Binti Mohd Yunus
University : Western Michigan University, USA
Major (Degree) : Biomedical Sciences
Graduation Year : 2020
Company : Charles River Laboratories, USA
Position : Research Technician

Yong Dick Wyn
University : Arizona State University, USA
Major (Degree) : Computer Science
Graduation Year : 2018
Company : Microsoft, USA
Position : Software Engineer II

SUNWAY
UNIVERSITY

A CLASS ABOVE

MALAYSIA'S

**IN GRADUATE
EMPLOYABILITY**

For the 3rd consecutive year, Sunway University has been recognised as Malaysia's No. 1 in Graduate Employability*.

We are immensely proud of the accomplishments of our graduates who have gone on to make a huge positive impact to the success of major Malaysian companies and indeed some of the world's leading organisations.

SUNWAY UNIVERSITY GRADUATES, TRULY A CLASS ABOVE

*Talentbank GE Index 2024

SUNWAY UNIVERSITY 200401015434 (653937-U) DU025(B) A member of Sunway Education Group No.5, Jalan Universiti, Bandar Sunway, 47500 Selangor Darul Ehsan.

OWNED AND GOVERNED BY THE JEFFREY CHEAH FOUNDATION Registration no : 200701042913 (800946-T)
