**24-27 Aug 2025,
Port Dickson, Malaysia**

PRES 2025 is an event of the
PRISE Foundation

Organize by,

PRES 2025 is the 28th in the series. It was initiated in collaboration with the late Prof Zdeněk Burianec and the late Prof Jiří J. Klemeš in the framework of CHISA congresses. Prof Klemeš served as the conference president for 25 years. The events in the series are as follows:

Year	Venue	Year	Venue
1998	Prague, CZ	2012	Prague, CZ
1999	Budapest, HU	2013	Rhodes, GR
2000	Prague, CZ	2014	Prague, CZ
2001	Florence, IT	2015	Kuching, MY
2002	Prague, CZ	2016	Prague, CZ
2003	Hamilton, CA	2017	Tianjing, CN
2004	Prague, CZ	2018	Prague, CZ
2005	G. Naxos, IT	2019	Crete, GR
2006	Prague, CZ	2020	Xi'an, CN
2007	Ischia, IT	2021	Brno, CZ
2008	Prague, CZ	2022	Bol, HR
2009	Rome, IT	2023	Thessaloniki, GR
2010	Prague, CZ	2024	Xi'an, CN
2011	Florence, IT	2025	Port Dickson, MY

THE AIM

The aim of the PRES conference is to review the latest development and applications of process integration for energy conservation, pollution reduction and related topics. Industrial experience of the application of any available method is also welcome.

TOPICS

- Process integration for sustainable development
- Energy saving technology
- Low carbon development strategy
- CFD, Heat Transfer and Heat exchangers
- Integration of renewables, biomass and energy conversion technologies
- Integrated and multifunctional operations
- Operational research, supply chain and technology management
- Cleaner production and technologies
- Waste minimisation, processing and management
- Dynamic, flexible and sustainable plant operation
- Industrial application & optimal design
- AI and Big data management for process industry
- Sustainable green palm oil transformation

About Port Dickson

Port Dickson is a coastal town in the state of Negeri Sembilan, Malaysia, known for its beaches and recreational activities. Port Dickson is located about 90 kilometers southwest of Kuala Lumpur, and 50km from Kuala Lumpur International Airport (KLIA), making it a popular weekend getaway for residents of the capital city and nearby areas

Conference Venue:

Grand Lexis Port Dickson, free shuttle service from Kuala Lumpur International Airport will be provided

REGISTRATION & ABSTRACTS SUBMISSION

Registration & submission via conference website. Authors wishing to present a contribution are asked to prepare a 400 words abstract (or one page). Please indicate the topic, which the abstract belongs to and submit it electronically at www.PRES2025.com

FORMAT

The Conference technical program is structured in 4-5 parallel sessions. Besides invited lectures; papers submitted will be considered for oral/poster presentations.

PROCEEDINGS

There are two option of proceedings, 8 pages of full paper in the conference proceeding or 6 pages of full paper in Chemical Engineering Transactions www.aidic.it/cet (indexed by SCOPUS and TSI).

IMPORTANT DATES:

Abstract deadline	: 15 Jan 20225
Acceptance Notice	: 15 Feb 2025
Full manuscript deadline	: 15 Apr 2025
Early bird fees	: 15 Jun 2025
Preliminary programme	: 15 Jul 2025

CONTACT US:

We can be reached by Website, Email, Facebook, WhatsApp's and WeChat.

President, Prof Petar S. Varbanov:
