

Future Cities Conference 2026

Call For Papers

15 - 17th July, 2026

Sunway City, Malaysia

THEME

“From Living Lab to Urban Impact”

TOPICS OF INTEREST

Track A: Digital Cities

- AI/Machine Learning for urban analytics
- Digital twins, simulation & cyber-physical systems
- IoT, edge/fog architectures & next-generation communications networks
- Smart mobility & autonomous technologies
- Smart Platforms, interoperability & integrated human-AI collaboration

Track B: Sustainable Cities

- Net-zero/sustainable buildings & cities
- Energy systems, storage & decarbonisation pathways
- Circular economy & resource management/efficiency
- Sustainable mobility & low-carbon transport
- Climate mitigation, biodiversity & sustainable materials

Track C: Healthy Cities

- Urban health analytics & environmental support systems
- Healthy spaces & solutions to environmental exposure
- Inclusive & accessible urban design
- Health technologies & wellbeing interventions
- Vulnerable populations & policy-driven health strategies

Track D: Resilient Cities

- Social resilience, poverty reduction & community preparedness
- Adaptive capacity, system continuity & ecological preparedness
- Resilient infrastructure & critical systems continuity
- Food-water-energy security & urban resilience planning
- Governance, resilience metrics & scenario planning

Submission Categories

- Full Paper (6-10 pages): Original Research
- Poster (AO size): Postgraduate students
- Demo/Industry Showcase

REGISTRATION FEE

OTHERS	RM 800
HYBRID PRESENTERS	RM 400
PARTICIPANT/NON-PRESENTER	RM 250

IMPORTANT DATES

Publications will be Scopus-indexed
SPRINGER NATURE

Tutorial / Forum Proposal Deadline
April 17, 2026

Paper Submission Deadline
June 8, 2026 (Hard deadline)

Notification of Acceptance
June 23, 2026

Camera-Ready Deadline
July 4, 2026

SPECIAL HIGHLIGHTS

Interactive Simulation; role-play mega-project decision-making

Keynotes and forum from pioneers & leaders

Tutorials on future cities innovation

Quantum Innovation Symposium (QIS)

Research co-design workshop Sunway & Lancaster

Best poster and best paper award

JOINTLY ORGANIZED BY

COLLABORATION & SPONSORS
