

2024 ECRN SEMINAR SERIES#1

Focus Your Research with the 5P Research Technique and Achieve Tenure

Join us for an insightful session where Prof Emmanuel will share powerful strategies aimed at propelling early career researchers to new heights in academia. Whether you're navigating the early stages of your academic journey or seeking to enhance your existing trajectory, this seminar will guide you on the path to achieving tenure.

Delivered by
Prof. Emmanuel Tsekleves

About the speaker:

Prof. Emmanuel Tsekleves is a distinguished Professor in Design in Global Health Design Innovation and the Co-Director of the Future Cities Research Institute at Lancaster University. As the convenor for the Design Research Society Special Interest Group on Global Health, his research actively contributes to achieving the UN's Sustainable Development Goals in health and wellbeing. Prof. Emmanuel advocates for a 'Blue Zone' lifestyle, promoting longevity and well-being, engaging stakeholders and communities in the pursuit of a healthier future. With over 100 published articles in international research publications and recognition from national and international media outlets, his impactful work has reached over 15 million readers.
