

SYMPOSIUM ON FOSTERING RESEARCH INTEGRITY

Research integrity is the foundation of building public trust, advancing scientific knowledge, and ensuring that research findings are reliable and valid. The aim of this symposium is to share and exchange experiences, and discuss ways to enhance our country's effort to foster research integrity at institutions on a national level.

MONDAY
SEPTEMBER 23, 2024
2:00 - 5:00PM

THINKER SPACE, LEVEL B1
SCHOOL OF ENGINEERING AND TECHNOLOGY
SUNWAY UNIVERSITY
