AED ENGAGEMENT WITH SCHOOL TEACHERS

As part of a new AED initiative, on December 8th 2022, AED collaborated with the Marketing Department to organise a workshop for Chinese Independent School teachers from the Klang Valley.

The teachers were given an introduction to innovative teaching and learning practices at Sunway University. Three lecturers, Dr Low Yeh Ching (SET), Evelyn Wong (SBS) and Firdaus Anuar (SOA) shared how they incorporated technology into their blended approach to support their students. Feedback from the teachers were extremely positive.

AED will be organising more community workshops with school teachers and school students in the future. Watch this space!
